The KU School of Business offers a Bachelor of Business Administration (BBA) degree. This degree completion program consists of upper-level coursework, with **100% of the courses taught in asynchronous online mode**. Many required lower-level and general education coursework must be completed prior to entering the BBA program.

The KU School of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB), which is the gold standard of quality in the world of business education. This means that students will receive a high quality, relevant and challenging curriculum, which strengthens the degree's value beyond graduation.

Admission Requirements - Minimum requirements for competitive admission to the KU School of Business BBA program:

1. Completion of a minimum 60 college credit hours, which must include the following foundation (BBA prerequisite) coursework (must be taken for a grade): ACCT 200 Financial Accounting (ACCT 121 and ACCT 122 at JCCC); ACCT 201 Managerial Accounting (ACCT 222 at JCCC); ECON 144 Macroeconomics (ECON 230 at JCCC); ECON 142 Microeconomics (ECON 231 at JCCC); MATH 101 College Algebra (MATH 171 at JCCC); MATH 365 Statistics (MATH 181 at JCCC or statistics course with a college algebra prerequisite); PSYC 104 General Psychology (PSYC 130 at JCCC)
2. Minimum 2.2 GPA in all of the following versions of the GPA:
 - Overall college GPA – all college credits earned
 - Overall professional GPA – all business and economics credits earned
 - KU overall GPA – all credits earned at KU, if applicable
 - KU professional GPA – all business and economics credits earned at KU, if applicable
 - The GPAs above include any courses that are transferable to KU, and all grades in those courses are included in the transferable GPA. However, only grades of "C-" or higher will satisfy degree requirements.

Note: BBA candidates must achieve a 2.5 grade-point average in the 21 credit hours that include BBA 303, BBA 308, and the 5+ advanced business electives.

Applying for Admission

See University Admission requirements. Apply and be admitted to the University of Kansas. Apply online at www.Admissions.KU.edu/transfers.

- Submit an official transcript from each college attended.
- Students who have completed all requirements for admission to the BBA program with appropriate GPAs will be admitted to the School of Business as a BBA student. See information below about being admitted to KU as a pre-BBA student.

Other Academic Considerations

- **Completing Courses as a Pre-BBA Student:** In the instance that one or more of the pre-admission foundation courses and KU Core requirements has not been completed before transferring to KU, the student may apply to the University and be classified as a pre-BBA student in the College of Liberal Arts and Sciences until meeting the minimum requirements to apply to the BBA program. Some students enroll at both JCCC and KU concurrently as they transition into the BBA program. Students intending to apply to KU as a pre-BBA student should meet with the Academic Advisor before applying.
- Pre-admission courses should be taken for a letter grade and not for pass/fail or credit/no credit.
- The BBA program allows for elective course options (number varies by student) that can be counted within the maximum community college credit hours AND the total credit hours required for graduation.
- Developmental and most technical courses do not transfer to the University of Kansas. To determine if a course transfers to KU, visit credittransfer.ku.edu.
- Students must earn 120 hours for graduation, of which 45 must be upper division. Thirty of the hours must be at KU. Community college courses do not transfer as junior/senior hours.

- Students completing an associate’s degree at JCCC must have 60 hours. Students should work with a JCCC counselor to include BBA course requirements into the associate degree. Up to 75 community college credit hours can be applied toward a bachelor’s degree at KU Edwards. Contact your KU Edwards academic success coach for more information.
- A minimum 30 credit hours of KU business coursework must be completed at KU after admission to the BBA program (courses in residence) prior to graduation.
- Effective Fall 2024: Students transferring to KU, with an AA, AFA or AS degree from JCCC will be considered to have satisfied KU’s Core 34 general education curriculum.
- Effective Fall 2024: Students who transfer to KU, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting KU requirements. To learn more about courses that satisfy KU Core 34 requirements visit: <https://catalog.ku.edu/core34/> and <https://credittransfer.ku.edu/>
- KU’s Core 34 General Education guide can be found here: <https://www.jccc.edu/student-resources/transfer/files/transfer-guides/ku-core-requirements.pdf>.
